Pat Millea

Pat Millea is a life-long, wacky Catholic blessed with a vocation of ministry to youth and families. He is a dynamic speaker, a gifted musician and a faith-filled youth ministry leader. He has invited thousands of youth across the country to reflect on their relationship with God and take the next step in faith. Pat has worked in youth ministry at Catholic parishes in South Bend and Indianapolis, Indiana, and is currently blessed to serve the youth of suburban Minneapolis as Director of Youth Ministry at Our Lady of Grace Catholic Church. Countless youth and adults have been inspired by Pat's presentations, including keynotes for the Notre Dame Vision conferences and a discernment track at the 2009 National Catholic Youth Conference.
